

Celebrate a Life

Remember the good times with Holiday Inn

At the Holiday Inn Northampton we understand how hard it can be to plan a reception following the loss of a loved one, which is why we take pride in offering a very sensitive and professional approach to the event.

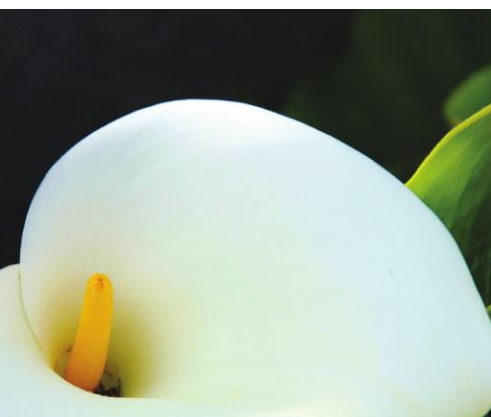

We can offer either a private room or our lovely restaurant area with a variety of menu options so that you, your friends and family can celebrate the life of a loved one.

You will also have a dedicated host who will ensure that everything runs smoothly on the day.

Please see the details of our packages we are able to offer.

If you have a budget that you are working towards, or you have a more specific idea of menu please let us know and we can try our utmost to work towards your requirements
